All,

Leslie has my support to join the Board. I know her and am very impressed by her.

Best regards,

Dana

Subject: New potential SCFHF Board Member

Greetings Nominating Committee,

We have a new potential board member to consider! Please read the short bio for Leslie Cross, who has expressed interest in not only joining the board, but attending our next meeting (assuming we four unanimously agree to bring her nomination forward, and the vote goes well first thing three Friday mornings from now). If you approve, I'll bring the nomination to the board.

Cheers,

Chris Wilder

Nominations Committee Chair

Leslie Cross is a Santa Clara Valley native who has worked for the last 25 years in manufacturing, supply chain and finance roles at high technology firms from start-ups to large public companies. She is currently Vice President of Service Supply Chain at KLA-Tencor, a \$3B global manufacturer of semiconductor capital equipment. She received a B.A. degree in Comparative Literature from U.C. Berkeley, and has lived and worked in Norway, Singapore, and primarily in Silicon Valley. One of few female line executives in the semi industry Leslie received the YWCA of Silicon Valley's Tribute to Women and Industry (TWIN) Award in 2005. She is an active supporter of women's professional development serving as a mentor through Menttium and Women Unlimited, and she is also a member of KLA-Tencor's Charitable Foundation and the Institute for Women's Leadership. Leslie was recently re-married and has two children, ages 12 and 24, and five grown step-children.
