Describe, With as Much Particularity as Possible, the Facts Constituting the Alleged Violation(s) and How You Have Personal Knowledge that it Occurred.*

There are a number of irregularities in Mr. Jensen's form 460, which, whether intentional or negligent, obscure his campaign financing and expenditures. For instance, all contributions are required to be reported on Schedule A, but they are not. Schedule A, line 2, contains only a summary of donations under \$100, and contradicts the amounts erroneously reported on Schedule I, where these are reported as increases in cash. The source of the donations is erroneously listed as the "Jensen Committee", which obviously cannot make contributions to itself. The donations should be entered into Netfile so that accumulation by contributing parties can be tracked and cause contributors over \$100 to be listed on Schedule E. The effect of this is to hide the identity of contributors. The Form 460 lists payment made to "Ted Atlas, hall rental, \$455" and to "Robert Gallardo, paid to vendors, \$600." No subvendor information is provided on Schedule E or G. Robert Gallardo is a campaign worker, not a vendor, so expenditures are not being properly disclosed. Mark Garcia lists his company by an acronym, "GSI"

***IMPORTANT! Attach copies of any available documentation that is evidence of the violation, (for example, copies of checks, campaign materials, minutes of meetings, etc., if applicable to the complaint.) Note that a newspaper article is NOT considered evidence of a violation.**

Provision(s)/Section(s) of the Political Reform Act Allegedly Violated and When the Violation(s) Occurred: (If specific sections are not known, please provide a brief summary)
(continued from above) when the full name should be disclosed, believed to be Golden State Investigations, an affiliate of Bad Boys Bail Bonds. Lastly Mr. Jensen did not file his form 700, required upon his departure from employment with the Sheriff's office.

Government Code sec. 82006 requires disclosures consistent with the directions from the FPPC, however, the Form 460 is filed inconsistent with those directions and in such a fashion as to obscure the identity of contributors and recipients of expenditures.

Timely form 700 is essential to understand conflicts of interest.

I am informed and believe that this report is accurate based upon review of records filed with the Santa Clara County Registrar of Voters.
