San Jose City Charter Section 404 requires that a candidate must reside in their district at least 30 days prior to filing deadlines. It further states that an elected official must reside in their district at all times. Carrasco did not live at Toyon address she filed with the City Clerk 30 days prior to filing, or while seated on the council. Further, section 404 requires that a sitting council member must be an elector of San Jose at all times. Carrasco lost her elector status after the Santa Clara County Registrar of Voters removed her from voting rolls in 2017, due to invalid mailing address. Carrasco did not re-register as an elector until February 2nd, 2018, at a new address on Clayton Road. It is highly likely, though not 100% confirmed, that she does not reside at this address full time either.
